Education

00/00 – 00/00	B.S., School of Computing & Mathematical Science
	KAIST (GPA: 3.9 /4.3)

Experience

00/00 – 00/00	Undergraduate research student

Research Interests

Hardware/Software Formal Verification
Compiler for NPU Architecture
Neuro-Symbolic AI
Programming Languages
Parallel Computing
Concurrent & Parallel Systems

Award

2025 S   Dean's List

Programming skills

Languages   C/C++, Python, OCaml, Lean, Dafny

Selected Courses

2025 S   Operating Systems
2025 F   Theory of   Programming Language
